**Primary School**

Dear Parents and Community Members,

I would like to give a huge welcome back to the 2011 school year to all of our students, families and staff. A special welcome to our Kindy kids for their first year at school. To our new students and families - welcome also. I’m sure you will enjoy the Endeavour experience.

Our new staff members this year are:
- Ms Hayley Gallop, Kindy and Primary Support; Ms Meagan Cramer, Room 4, Year 1; Miss Mandy De Vries, Room 13, Year 2; Ms Missie Naniseni, Room 20, Year 3; Mr Ben Liddle, Room 10, Year 6/7; Mr Geoff Powell, Room 11, Year 6; Mrs Helen Robinson, Primary Support. We also welcome back Mrs Sue Speirs, Room 12, Year 1 and Mrs Ashley Maclure, Rooms 23 and 8 Support.

Welcome to the Endeavour Team. A full staff list is included with this newsletter.

The “No Hat, No Play” rule now applies all year – School Council and the Schools’ Health Committee have endorsed Endeavour becoming “Sun Smart” and from Week 5, Term 1 only **bucket, legionnaires or broad brim hats** will be accepted. Faction colours would be preferred but there is no restriction on the colour. The uniform shop has supplies of these types of hats or they can be purchased elsewhere. Baseball caps will be unacceptable. This policy is becoming the norm in WA schools. Students without a hat during play and lunch periods are required to use these bays. We have students who need these spaces marked in the 3 main car parks. Current ACCROD authorisation is required to sit quietly in the undercover area.

I hope this is the first and last time I need to mention PARKING within the school grounds. There are 3 distinct Disabled Parking Bays clearly marked in the 3 main car parks. Current ACCROD authorisation is required to use these bays. We have students who need these spaces so out of courtesy and parking by-laws, don’t use unless authorised. It should also be mentioned that Loading Bays mean loading bays and not general parking. The 3 car parks are actually STAFF ONLY parking. Please be aware that Rockingham Council has been in touch with the schools in regards to several complaints from nearby residents of the school about inappropriate parking practices. Action by Council may follow.

Students are to arrive at school no earlier than 8.25am as limited supervision is available. However, any students who arrive earlier than this time must report to the undercover area and not wander around the school. If parents accompany their children to school earlier than 8.25am it is your responsibility to adequately supervise your children to ensure they abide by our schools’ rules.

Voluntary Schools Fees of $35.00 per child can be paid at the office during school hours. Last year, we had an average response to the paying of these fees and we hope we can reach 100% this year.

I’m looking forward to a very successful year in all areas of the school and to the continuing support from all members of our school community. Remember, if you have a question, concern, issue or comment — positive or negative, please contact the school to get the correct response and not hearsay.

**Alan Hansen - Principal**

**Education Support Centre**

Dear Parents and Caregivers,

Welcome back everyone! It was fantastic to see all of our families arriving last Wednesday morning happy and smiling. I hope everyone enjoyed their holidays and had some great experiences. I am looking forward to hearing about all of the adventures as this week goes on.

We’d like to send a great big Endeavour welcome to our new teaching staff for 2011. Mrs Kate Marsden will be teaching in Room 19 this year, Mr Jamie Polich will be teaching in Room 9 and Mrs Beata Stasakova will be in Room 16 on Fridays. It’s great to have some new faces on the Endeavour team. We hope you have all settled into your classes now and enjoy teaching our wonderful students and working with the dedicated staff at our fantastic school.

We also have a lot of new students this year and we welcome them and their families to our great schools. Our new faces are Shakira Dunn, Taylor Green, Lili Greenslade, Brody Koller, Harry Payne and Zac Samuels in Room 6 and Christian Read in Room 19. We also have four new students in our Early Intervention program this year and they are Jessica Davidson, Jaydn Evans, Lee Wallam and Lachlan Wright. So we have a lot of new friends to get to know and have fun with in our classes.

2011 looks like a very exciting year for all of us with lots of events coming up across all classes. We’ll keep you posted on upcoming events as they arise. A special reminder about this year’s Camp for Special Needs students and Year 1 – 7 students are invited to attend. We’ll let you know the details as soon as the venue and costing are confirmed.

Notes will be going home this week regarding hydrotherapy and gym programs for those classes rostered on this term. More details to follow.

Cheers for now,

**Jayne Gorbould - Principal**

Endeavour welcomes Mr Phil Goodall – our School Chaplain for 2011.

Mr Goodall has been a School Chaplain for a number of years. His role is to support students and families when the need arises. Mr Goodall will be available each week to talk to students and families.

If you would like to find out more about Mr Goodall and his role, please contact the school.

**SCHOOL CHAPLAIN**

**NEWS FROM THE ART ROOM**

2011 is off to a great start and I hope that it is a happy and productive year for all.

Please note that students who do not have an art shirt will not be permitted to do art work. I will have a few art shirts on hand but they will only be for temporary use by students who may arrive mid year, etc. and have not had time to find their own. One of our schools’ values is RESPONSIBILITY and we would like every student who come to Art to demonstrate this by providing their own suitable shirt.

Putting the students name and room number on the shirt means that if it is mislaid it can be returned. Please note that plastic art smocks are not at all suitable for the summer months as children get really hot and uncomfortable in them.

This year, we are planning to participate in the Castaways Sculpture Competition which is held on the Rockingham Foreshore 7th—15th May. Some of our senior students will work on this project.

We need a large quantity of metal bottles tops and metal jar lids. A variety of sizes is required but no bigger than 5cm or 6cm in diameter. Plain gold and silver lids are preferred but not essential. These lids and tops will be used to create coins for a treasure chest. Tops and lids can be left at the front office or in the Art Room. We need a lot so please help us out.

We also need any old costume jewellery that has a “jewel” appearance as well as ‘silver’ and ‘gold’ chains. Any donations will be greatly appreciated.

Kind regards
Mrs O’S and Mrs Ryan

**Workshop at Warnbro Community and Family Centre**

**Raising Boys**

Why do boys behave differently to girls?

What are the special needs of boys?

Why do boys push those boundaries so hard?

Why do boys seem to have selective hearing?

These are some of the questions we will be discussing.

**When:** Mondays, 21st, 28th March & 4th & 11th April

**Where:** Warnbro Family & Community Centre

1 Moreton CrSnent, Warnbro

**Time:** 9.30am—12.00 noon

**Cost:** $20 for whole workshop

**Facilitator:** Bernie Rozario

Morning tea and handouts provided

FREE Creche available.

Bookings essential—Contact Natalie

Warnbro Community and Family Centre 9593 3027

**Sun Safety**

Did you know...

2 in 3 Australians will be diagnosed with skin cancer by the age of 70?

Australia has one of the highest rates of skin cancer in the world?

Over 1000 people a day are treated for skin cancer in Australia?

Check out this website for more facts about being sunsmart; www.sunsmart.com.au.

Children whose parents model sun protective behaviours are more likely to practice sun safety themselves.

**So don’t forget to:**

Slip on a shirt;

Slop on some sunscreen;

Slap on a hat;

Seek some shade; and

Slide on some sunnies.

**Worried about your child’s weight?**

Many parents care about their child being overweight but don’t always know what to do about it or if they should do anything about it. Children who are overweight are more likely to suffer from emotional problems such as low self-esteem and bullying when in school. They are likely to be overweight as adults and have a higher risk of diseases such as heart disease and diabetes.

Your local community health service is offering a program called Lifestyle Triple P which can help you. It’s free and is for parents who have a child who is aged between 5 to 10 years old and overweight. Parents will need to attend ten group sessions. You will also receive four telephone sessions to help you tailor the program to suit your family.

Not sure if this will work for you or your family? Please contact your School Health Nurse through the schools.

Alternately, for more information or to register your interest call (08) 9224 1933 or email positiveparenting@health.wa.gov.au with your name, address, contact details and child’s age.

On behalf of all the School Banking Team, I would like to say a big welcome back to all students, teachers and parents as we start a new year of banking and teaching our children the great benefits of saving their money.

“2010” was our first year as part of the Commonwealth Bank School Banking Program and it was a great success for us all. The year ended with 101 of Endeavour students participating in this great program and the school received $930.00 in commissions which will benefit the students of Endeavour Schools, so well done to all involved.

The first school banking day for “2011” will be Friday 11th February in the Achiever Block alcove (opposite the canteen area) between 8.10am and 8.40am.

So don’t forget to bring your deposit book and money and start your savings off again to make 2011 an even bigger success than last year. The Commonwealth Bank have introduced new rewards for 2011 to encourage students to make their regular deposits. All information regarding these can be found on the notice board near the Achiever Block alcove.

If you are not yet participating in this great program or you are new to the school but interested in taking part, pick up an application form from the lovely ladies in the front office and get started in making your children’s savings dreams come true.
