Dear Parents and Caregivers,

Last week we were all very busy with our Interschool Sports Carnival on Monday; Eyes on Tomorrow concert on Monday night; the presentation of highly commended awards from the Meerilinga Children’s Week Art Awards for the students in Room 6 on Wednesday; Interschool Athletics Carnival on Friday; and the Halloween Disco on Friday night. A great effort by all students, staff and parents who worked tirelessly to make sure everything went smoothly for all of these events and a special thankyou to Mr Nurse who organised the setting up of equipment for our carnival on Monday.

On Friday, 19th November, ESC students will be invited to attend a Water Skiing Fun Day. Senior students will attend in the morning; junior students will join them at the beach for lunch and have their turn in the afternoon while senior students return to school. Letters go home this week with the details. This day is planned as a reward for students for all their hard work during the year. So I hope that everyone continues to work hard in their classrooms and do the right thing in the playground!

The Life Skills room is nearly ready for opening with only the landscaping and furniture needed. Then we can look forward to using it in 2011.

2011 classes are presently being organised and we will begin transition activities shortly. More details to follow.

Cheers for now.

Jayne Gorbould - Principal

Stationery requirements for 2011 will be going home next week. Please note that you do not have to order from Woolridges but by doing so and returning the form by Friday 3rd December you are helping to raise funds for the school community and you also go into the draw to win your requirements for FREE!

Great fun was had by all at the ESC Interschool sports Carnival on 25 October.
CONGRATULATIONS to our Junior Choir, Senior Choir, Street Kids Dance Troupe (Rooms 9, 10 & 11) and Kirsty Clarke for their wonderful performances at the Mandurah Performing Arts Centre last Monday night.

CANCELLATION OF EVENT - Unfortunately the Instrumentalists’ Play Fest excursion has been cancelled due to the overcrowded school calendar; however, the instrumentalists will be playing at the next assembly.

Thank you to the P & C for the donation of choir tops for both choirs and for paying for the buses that took us to the MPSAC for the stage rehearsal.

Extra congratulations to Bayley Lamont for playing in the Comet Bay College Band at the Tuesday night Eyes On Tomorrow Concert after already performing on Monday night in the Senior Choir.

You may order DVDs of the Monday and/or Tuesday night concerts by obtaining an order form from the front office.

NEWSLETTER COMPETITION
Math Challenge
Term 4 already!!! Amazing how time flies isn’t it?

In August, we had 17 students sit the Australian Mathematics Competition - a competition run by the Australian Mathematics Trust. Hundreds of thousands of students from over 40 countries were tested on everything from basic numeracy through to advanced problem solving. Congratulations to Lachlan Stephen and Charlie Rees for receiving Distinctions (being in the top 15% of all entries in their year level) and to all other competitors for achieving their super results.

So onto this week’s challenges:

Senior Challenge:

1. What are 5 other ways of writing 1/2?

   ________ groups of _________ and ________ groups of ________

2. Jenny and Sue went shopping. Jenny found a shirt on sale that had 50% off and Sue found some shoes that were half price. Who got the best bargain?

Junior Challenge

Look at these numbers:

3. What are 2 different ways I can share 12 lollies into even groups?

   ______ groups of _________ and ______ groups of _______

4. How many even groups can I make if I had 6 counters? How many in each group?

Don’t forget to put your name and Room number on your entries and get them in the box in the front office for next assembly. You could be the winner of a great prize.

Library Award Room 19-ESC

Kmart Wishing Tree
Endeavour Schools will be taking part in the Kmart Wishing Tree Appeal. Please bring your small change and give it to your child’s classroom teacher. Your child’s class will choose a gift with the money raised by their class. Donations will be collected from now until December 2nd.

BALI TEACHER VISIT
Terima kasih to Ibu Anik for being such a wonderful guest and an integral part of our Indonesian lessons last week. She has enjoyed helping out among the classes and in turn, gained useful teaching experience. I would like to take this opportunity to thank all of the teachers for having her in their classrooms and making her feel welcome.

We have truly enjoyed having Ibu Anik attend our Indonesian lessons. It’s been great getting to know her and learning all about her interesting life in Bali, Indonesia. We were also very grateful to receive dance lessons from her. Bagus sekali to the group of Year 5 students who choreographed and performed a traditional dance for Ibu Anik. Fabulous teamwork and terima kasih for a wonderful performance girls.

On a final note, we would like to wish Ibu Anik all the best and selamat jalan (safe travels) for the rest of her stay here in Australia.

SISTER SCHOOL PROJECT
This term, Year 7 students will be making reading booklets in Indonesian and English for students at our Bali sister school. I am excited about this project and I’m sure the Bali students will enjoy the booklets very much.

A BIG thank you to Montana Starkey (Rm 20) and her family for their generous donation of valuable reading resources for the students at the Bali Sister School. Your support is greatly appreciated and we wish you a safe and enjoyable trip to Bali.

Salam (Regards),
Ibu Nathan

INDOONESIAN NEWS

MUSIC NEWS

Some instrumental students have been taking advantage of the early morning flute and clarinet classes on Tuesdays & Fridays and are making excellent progress.

I hope to see ALL clarinetists and flautists at these extra classes from now until the end of term. You need to come to all the practices leading up to the Week 5 Assembly and the McNamara Lodge visit (remember you get to mark the practice in your journals).

Classes for 2011
Are you moving and will not be attending Endeavour Schools in 2011? Do you know of new families who are moving into our catchment area? Please inform the school ASAP or fill in the form and return it to the front office so that we can start planning our classes for next year. Also, if you have a request for classes in 2011 please put it in writing and hand it into the office by Friday 5th of November.

The following students will not be attending Endeavour Schools in 2011:

Name ____________________________ Rm ____
Name ____________________________ Rm ____

I look forward to hearing from you
I have a Working With Children Check and a Police Clearance.

Uniform Shop Hours

Wednesday
8.15am - 9.00am
Friday
8.15am - 9.00am

PARENTS and TEACHERS OF YEAR 7 STUDENTS PLEASE NOTE:

SCOLIOSIS
(Chairing of the Spine)

Scoliosis is a common growth disturbance that develops slowly, usually during early adolescence (10-13 years) causing an abnormal sideways curve of the spine. Examination is the only way to detect a curve in the spine and thus enable treatment for your child if required.

A “Facts On Scoliosis Information For Parents” pamphlet about Scoliosis and how to check your child’s spine was sent home to all Year 7 students. Parents and children please take the time to read through the pamphlet and check for any imbalance or asymmetry in the spine as described in the pamphlet.

If you have any concerns about scoliosis in your child or require further information, please contact your family doctor or the Community School Health Nurse through your school.

Thank you
Meirlyn Dare
Community School Health Nurse
